AGRICULTURAL LABOUR ENQUIRY.

A meeting was held in the Chambers of the Honourable the Home Minister on Thursday the 20th October 1949, to consider ways and means of conducting an Agricultural Labour Enquiry in the State on the lines specified by the Government of India. The Deputy Secretary, Ministry of Labour, Government of India, the Revenue Secretary, Government of Mysore, the Commissioner for Rural Development in Mysore, the General Secretary to the Government of Mysore and the Provincial Supervisor, Agricultural Labour Enquiry, Bangalore, were also present at the meeting.

The Deputy Secretary, Ministry of Labour, Government of India, explained the object of the enquiry which was intended to collect data on wages, earnings and standard of living of agricultural labour, primarily for the purpose of fixation of minimum wages for agricultural workers and generally for ameliorating the conditions of labour. He said that it was originally proposed to conduct the enquiry in about 2,000 villages. A comprehensive questionnaire was drawn up on the advice of Provincial and State Governments and the plan of enquiry was examined by the Committee of Economists and Statisticians attached to the Central Cabinet Secretariat. On their advice, the enquiry was decided to be conducted in three stages, *viz.*, Exploratory Survey, Pilot Survey and Regular All-India Survey. The Exploratory Survey was conducted in about 40 villages in certain Provinces and States including Mysore, to test the suitability of the questionnaire. On the results of this survey, the original questionnaire was revised, removing questions which were not likely to be answered correctly. It was originally decided to collect data relating to the last agricultural year but since difficulties were experienced in collecting such data and since it was found that the data collected would be at best an intelligent approximation, it was now proposed to collect data for the current agricultural year so as to get observed data as far as possible. He also said that, owing to considerations of cost, the number of villages selected for survey had been reduced from 2,000 to 800. The country had been divided into a number of units for this enquiry and 40 villages assigned to the Mysore unit, comprising of the States of Mysore and the United States of Travancore and Cochin. The Honourable Home Minister wanted to know whether it was not possible to select in Mysore State the villages which were already included

in the Rural Development programme. Sri Sadashiva Prasad, the Deputy Secretary, Government of India, said that, as far as selection of villages was concerned, the Government of India depended entirely on the technical advice of the experts and since this was the first economic enquiry it was necessary to be cautious and scientific. He also requested the Government of Mysore to take up welfare work in the villages selected for the enquiry as this would interest the residents of these villages in the survey of conditions of agricultural labour and would further be useful in drawing up blue-prints of ameliorative measures which should be undertaken in the interests of agricultural workers. The Commissioner for Rural Development stated that, in Mysore, the scheme of rural development was by no means new and that there was a long tradition in the State of the rural uplift work. The new scheme of Rural Development comprised of all aspects of rural life. The Provincial Supervisor suggested that, in addition to the items included in the Hyderabad scheme of co-ordinating rural development, Mysore could add the electrification of selected villages, provision of lift irrigation, opening of maternity centres, introduction of cottage industries and opening of adult education classes. The Honourable the Home Minister observed that the Government of Mysore would render all possible help in the collection of agricultural labour statistics by intensifying rural development work in the villages selected by the Government of India for the enquiry. A list of such selected villages was required to be sent to the Rural Development Commissioner so that necessary action in this direction could commence without loss of time. Sri Sadashiva Prasad, the Deputy Secretary, expressed his gratitude for the interest evinced by the Home Minister in the agricultural labour enquiry and hoped that rural development undertaken in the villages selected would be most successful and would go a long way in promoting the moral and material prosperity of agricultural workers all over the State.

OFFICE OF THE COMPILER, *MYSORE GAZETTE.*

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V and VI should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919. in regard to notices calling for tenders for the purchase of stores or for the execution of works. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).
